ORDERS IN COUNCIL.

GOVERNMENT HOUSE, VICTORIA.

30th June, 1896.

PRESENT:

HIS HONOUR THE LIEUTENANT-GOVERNOR
IN COUNCIL.

WHEREAS, owing to the lateness of the season, the depth of snow in the mountains is still very great, and thus prohibits many holders of claims on the higher ranges from performing the assessment work required by the Mineral Act during each year; and

Whereas it is desirable, with a view to obviate this difficulty, that an order granting discretionary permission to Gold Commissioners throughout the Province to extend the time for a period of sixty days for the completion of assessment work on such mineral claims as are at this date covered with snow and consequently inaccessible, be made,

On the recommendation of the Honourable the Minister of Mines,

His Honour the Lieutenant-Governor, by and with the advice of His Executive Council, and under the provisions of section 161 of the "Mineral Act, 1896," has been pleased to order, and it is hereby ordered, as follows, that is to say:—

It shall be lawful for the Gold Commissioners throughout the Province to extend the time for a period of sixty days, to date from the 17th day of July, 1896, for the completion of assessment work on such mineral claims as the Gold Commissioners have good cause to believe are at this time inaccessible, in consequence of the depth of snow which covers the said claims.

JAMES BAKER,
Clerk, Executive Council.

Now therefore His Honour the Lieutenant-Governor, in virtue of the authority conferred by the said Act, and by and with the advice of His Executive Council, has been pleased to constitute, and does hereby constitute, the whole of the Province of British Columbia, with the exception of such portions thereof as are within the corporate limits of any City or Town Municipality, a Fire District.

AT THE GOVERNMENT HOUSE AT OTTAWA,
Wednesday, the 8th day of July, 1896.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON a Memorandum dated 30th June, 1896, from the Minister of the Interior, stating that Mr. J. L. Hughes, of Cherry Creek, British Columbia, rancher, has applied for permission to purchase the following lands situated in Township 19, Range 19 west of the 6th Meridian, viz.:—The undisposed of portions of the west half of Section 35, containing 196 acres, the available portions of the north half and south-east quarter of Section 33, together containing 245 acres, and the south-west quarter of Section 34, containing 160 acres, making a total of 601 acres. Mr. Hughes, who is the proprietor of adjacent lands, which he acquired from the Provincial Government, is extensively engaged in the business of stock-raising and requires the land he now applies for in connection with that business.

The Minister is of opinion that it is advisable to authorise a sale of the lands to Mr. Hughes.

The Minister further states that Mr. Hughes claims to have applied for the lands to Mr. Fawcett, who surveyed them for the Dominion Government, prior to 1889, in which year the price of Dominion lands in British Columbia was increased from \$2.50 to \$5.00 per acre, and he therefore contends that he should not be required to pay more than the rate existing at the time he made that application.

The Minister cannot recognise that application as giving Mr. Hughes any right to purchase now at a less rate than the existing price.

The Minister further states that Mr. William Pearce, the Superintendent of Mines, reports that these lands are not worth more than \$2.50 per acre, the price at which a large tract in the same locality was sold to Mr. W. J. Roper under authority of the Order in Council of 30th June, 1894.

The Minister therefore recommends that he be authorised to sell to Mr. J. L. Hughes the above described lands at and for the price of \$2.50 per acre, anything in the existing regulations for the disposal of lands in the railway belt, British Columbia, to the contrary notwithstanding, the sale to be on the usual terms, namely, one-fourth down and the remainder in three equal annual payments with interest on the unpaid balances at the rate of six per cent. per annum.

The Committee advise that the requisite authority be granted.

JOHN J. McGEE,

July 30

Clerk of the Privy Council.

LANGLEY BY-LAWS.

No. 92.

A BY-LAW

To authorise the Sale of Lands within the Municipality of the Township of Langley upon which Taxes have been due and in arrear for two years prior to the passing of this By-law.

WHEREAS it is expedient that all lands, or improvements, or real property within the limits of the Municipality of the Township of Langley upon which municipal taxes have been due and in arrear for two years prior to the passing of this By-law, shall be sold and the proceeds applied in the reduction of such taxes:

Be it therefore enacted by the Reeve and Council of the Township of Langley as follows:—

1. The Collector of the Municipal Council of the Township of Langley is hereby authorised and directed whensoever taxes on any land, or improvements, or real property have been due for two years prior to the passing of this By-law, to submit to the Reeve of the Township of Langley a list, in duplicate, of all the lands, or improvements, or real property liable under the provisions of this By-law to be sold for taxes, with the amount of arrears against each lot set opposite to the same, and the Reeve shall authenticate such list by affixing thereto the seal of the Municipality, and his signature, and one of such lists shall be deposited with the Clerk of the Municipality and the other shall be returned to the Collector, with a warrant thereto annexed under the hand of the Reeve and the seal of the Municipality, commanding him to levy upon the land, or improvements, or real property for the arrears due thereon, with costs, Collector's commission authorised by this By-law, and contingent expenses.

2. It shall not be the duty of the Collector to make inquiry before effecting a sale of lands, or improvements, or real property for taxes, to ascertain whether or not there is any distress upon the land, nor shall he be bound to inquire into or form any opinion of the value of the land, or of the improvements, or real property.

3. The Collector shall prepare a copy of the list of lands, or improvements, or real property to be sold, and in such list shall be scheduled in separate columns:

- (1.) The amount of taxes unpaid up to the date of passing of this By-law:
- (2.) The Collector's commission authorised by this By-law to be paid to him and contingent expenses of sale: and
- (3.) The total amount of taxes and costs for which the property is liable to be sold:

And the Reeve shall authenticate such list by affixing thereto the seal of the Municipality and his signature; and the Collector shall cause a copy of the last-mentioned list to be published for a period of at least one month preceding the date of such intended sale in some weekly newspaper circulating in the Municipality of Langley.

4. The advertisement shall contain a notification that unless the arrears and the costs are sooner paid, he will proceed to sell the lands, or improvements or real property for the taxes on a day, a time, and at a place named in the advertisement; but it shall not be necessary for such advertisement to state whether the lands offered for sale are patented or unpatented.

5. The Collector shall, at least two months before the time of sale, also deliver to or deposit in the post office,

to the address of the owners of such property which is to be sold for taxes as aforesaid, or to the agent of such owners, a notice in writing of the amount of taxes due, and that the property is to be sold for the arrears so due; and in case the name of the owner or agent is unknown, a notice to the same effect shall be posted upon the land intended to be sold, and also, at least two months before the time of sale, post a notice similar to the above advertisement in some convenient public place, that is to say, on the front door of the Town Hall of the Municipality of Langley.

6. The day of sale shall be the thirty-third day after the first publication in a newspaper of such list, exclusive of the day of such publication, except in case the said thirty-third day shall fall on a Sunday or holiday, in which case such sale shall take place on the following day, at the Town Hall, Langley, in the Municipality of Langley, and shall begin at eleven o'clock in the forenoon.

7. If at any time appointed for the sale of the lands, or improvements, or real property no bidders appear, the Collector may adjourn the sale from time to time.

8. If the taxes have not been previously collected, or if no one appears to pay the same at the time and place appointed for the sale, the Collector shall sell at public auction so much of the lands, or improvements, or real property as may be sufficient to discharge the taxes, interest thereon, and all lawful charges incurred in and about the sale and the collection of the taxes, selling in preference such part as he may consider best for the owner to sell first; and in offering such land, or improvements, or real property for sale it shall not be necessary to describe particularly the portion of the lot or section which shall be sold, but it will be sufficient to say that he will sell so much of the lot or section as shall be necessary to secure the payment of the taxes due, and the amount of taxes stated in the advertisement shall in all cases be prima facie evidence of the correct amount due.

9. If the Collector fails at such sale to sell such land, or improvements, or real property for the full amount of arrears of taxes due, he shall at such sale adjourn the same until a day to be publicly named by him, not earlier than one week nor later than three months thereafter, of which adjourned sale he shall give notice by advertisement in the newspaper in which the original notice was advertised, and on such day he shall sell such lands, or improvements, or real property for any sum he can realize: Provided that, in event of the price offered for any lot or section at such adjourned sale being less than the amount of arrears of taxes due in respect of such lot or section, the Collector shall have power, if he think fit so to do, to purchase such lot or section in the name of and on behalf of the said municipality.

10. If the purchaser of any property or parcel of land fails immediately to pay the Collector the amount of the purchase money, the Collector shall forthwith again put the property up for sale.

11. Immediately after every sale the Collector shall return a list of the arrears satisfied by such sale to the Clerk of the municipality, and shall at the same time pay in the proceeds to the Treasurer of the said municipality.

12. The Collector shall be entitled to five per centum commission upon all sums collected by him as aforesaid.

NORTH COWICHAN BY-LAWS.

A BY-LAW

To authorise the Sale of Real Property within the limits of the Corporation of the Municipality of the District of North Cowichan.

WHEREAS it is expedient that all lands, or improvements, or real property within the limits of the Corporation of the Municipality of the District of North Cowichan, upon which there shall be at the time of the passing of this by-law unpaid municipal taxes in arrear for the period of two years prior to the passage of this by-law shall be sold at public auction:

Be it therefore, and it is hereby, enacted by the Municipal Council of the Corporation of the Municipality of the District of North Cowichan (hereinafter referred to as the said Corporation) as follows:—

1. The Collector of the said Corporation is hereby authorised and directed, whenever any unpaid taxes on any lands or real property have been due and in arrear for two years prior to the passage of this by-law, to prepare a schedule of all lands, or improvements, or real property upon which, or in respect of which, municipal taxes have been so unpaid and in arrear for two years prior to the passage of this by-law as aforesaid, setting forth in column the amount due and in arrear as aforesaid for taxes opposite each lot mentioned, and shall include therein, in a separate column, a proportionate amount of all costs incurred whatever in and about the recovery of said arrears under the provisions of this by-law.

2. The said schedule shall be duly authenticated by the Reeve of the said Corporation, affixing thereto the seal of the said Corporation and his signature, and he shall also, under his hand and the seal of the said Corporation, issue to the said Collector a warrant directing and commanding him to levy upon each and every lot, or part lot, mentioned in said schedule for each total amount of arrears of taxes, and the costs thereon, as therein specified.

3. A copy of the said schedule shall be published in the Nanaimo Free Press once a week, and appear in the Municipal Council Chamber of the said Corporation, situated in the village of Alderlea, in the said

Municipality, for a period of one month prior to the date of said sale, together with a notice declaring that unless the said arrears of taxes and costs thereon be not sooner paid, the said lands, improvements, and real property mentioned in said schedule, shall be sold by public auction, at the said office of the said Corporation, on Saturday, the twenty-eighth day of November, one thousand eight hundred and ninety-six, at eleven o'clock in the forenoon, or if it may be found necessary by the said Collector in order to carry out the said sale, to adjourn the said sale. At any adjournment of the said sale he may deem fit to make, and the amount of arrears of taxes and costs mentioned in said schedule, shall be prima facie evidence of the correct amount due.

4. The Collector shall, at least thirty days prior to said time of sale, deliver to or deposit in the post office in Somenos (with the usual postage rate paid in each case), to the known address of the owner of the said land, or to his agent, a notice in writing (or partly written and partly printed) of the amount of arrears due thereon and costs incurred, and of such intended sale, and of time and place of sale; and in case of the address of such owner or his agent being unknown, such notice shall be posted on the property intended to be sold, or as near to the said property as practicable.

5. The said Collector shall not, before effecting any sale hereunder, be bound to ascertain whether any distress is upon the property, or to inquire into the value of any of the said lots mentioned in the said schedule.

6. The Collector shall at the time and place of said sale, and any adjourned sale, proceed to sell by public auction so much of each and every of said lots mentioned in said schedule upon which the arrears of taxes, costs, and expenses have not been paid, as may be sufficient to discharge the said arrears, costs, and expenses, and any costs contingent upon said sale.

7. If the purchaser of any lot, or part of lot, fails immediately to pay to the Collector the amount of the purchase money therefor, the Collector shall forthwith re-offer the said property for sale.

8. If at any time appointed for any sale hereunder no bidder appears, or should the bidding in any case be insufficient to satisfy arrears and costs, the Collector may, in his discretion, adjourn the sale from time to time, and the place, as he may think fit, without further notice; and at any such adjournment the Collector may, if he thinks fit, sell such lands for any such sum as he can realize, and the balance, or whatever amount may not be realized, of the said arrears and costs, shall remain as a charge against the said land in the same manner as ordinary municipal taxes.

9. The Collector shall, after selling any lot, give to the purchaser thereof the necessary certificate provided by the "Municipal Clauses Act, 1896."

10. Immediately after such sale, or adjourned sale, the Collector shall return a list of the arrears satisfied by such sale to the Clerk of the said Corporation, and shall at the same time pay in the proceeds thereof to the Treasurer of the said Corporation.

11. The Collector shall be entitled to a commission of ten per cent. on all arrears of taxes collected by him; and such commission shall be included in the respective costs set out in the said schedule.

12. Nothing herein contained, to the contrary notwithstanding, shall affect the right of the said Corporation to recover the said arrears of taxes, with interest and costs, as provided by the "Municipal Clauses Act, 1896."

13. This by-law may be cited as the "North Cowichan Tax Sale By-law, 1896."

Passed by the Council of the said Corporation on the 18th day of April, 1896.
